Our Commitment to Accessibility

Morebility is dedicated to ensuring digital accessibility for all users, including those with disabilities. To provide an accessible and optimized user experience for all site visitors, we are utilizing a dedicated accessibility server, *UpAccessibility*. This server takes careful measures to ensure an excellent user experience, regardless of the assistive technology used or the specific abilities of individuals accessing this site. Our efforts in doing so foster Greater Possibilities for All.

The software allows the *Morebility* website to enhance its compliance with the Web Content Accessibility Guidelines (WCAG) 2.1. It ensures that this site is in the process of being enhanced to conform with WCAG 2.1 Level AA Success Criteria as strictly as possible. Our website adheres to the World Wide Web Consortium's (W3C) Web Content Accessibility Guidelines 2.1 Level AA.

Enabling the Accessibility Menu

The *Morebility* website accessibility menu can be enabled by clicking the accessibility green circle menu icon that appears on the top right corner of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

Disclaimer

Despite our best efforts to make all pages and content on the *Morebility* website fully accessible, there may still be sections that are not yet fully adapted to the strictest accessibility standards. We are continually improving our accessibility technology by adding, updating, and enhancing its options and features, and developing and adopting new technologies. Accessibility is an ongoing effort, and some content may not yet be fully compliant due to not having found or identified the most appropriate technological solution.

Feedback and Contact Information

We welcome your feedback on the accessibility of the *Morebility* website. Please let us know if you encounter accessibility barriers while navigating our website. If you wish to report an accessibility issue, have any questions, or need assistance, please contact us at:
